Good morning,

I met 3 of your students at Eunos Bus Interchange a few minutes ago. I thought I'd write to say that they were polite boys though a bit excited to explain their mission :) Unfortunately, I did not get their names but it was a Chinese student and two other non-Chinese students. Nevertheless we had a good conversation. I wish them and the school all the best.

Best regards,
Mdm Safeyaton

It was a real pleasure meeting you, Oliver, Miguel, Jai and Zhi Cheng.

I was impressed by their curiosity, the questions they asked, and the sincerity with which they engaged throughout our conversation. Reading their reflections afterwards only reinforced that impression. It was evident that they had taken the time to think carefully about what they had seen, heard and learnt.

Affirmation for St. Patrick's School

Warmest greetings, Mr Ting, Mr Errol!

As the 2026 school year comes to a close, I would like to share our family's deepest gratitude and Thanks for the school's continued, and unfailing, dedication to the boys - now all much closer to becoming Young Men!

In this past year, our son Evan de Souza (3 Integrity) has truly grown up and is slowly (but surely) maturing into a gentleman whom we can all be proud of.

A great deal of credit has to go to the many, many development programmes available at St Patricks.
As a student with special needs, Evan has also greatly benefitted from the school's holistic approach to character development, and deep understanding of boys' inherent motivations and behaviours.

While he has definitely felt the pressure from an increased Sec 3 curriculum,
I am most certain that Evan will look back on his time in Secondary 3 at St Pats as one of the best years of his teens.

From team wins with his beloved Floorball buddies, to (literally) scaling new heights at OBS, to a very eye-opening experience of chaperoning students with severe autism at the MBS Charity Walk
and then suiting up to experience the exhausting but exciting realities of hospitality shift work at Raffles Hotel (where Evan says he served Steven Tyler breakfast)....
.... It's been a Big year of personal milestones for Evan, in the best way possible.

All of this support, and positive reinforcement, that Evan receives in school has also translated to the increasing responsibilities that he has taken on at home.

With the stresses of Sec 4 fast approaching, I am most, most grateful that Sec 3 has been a year for Evan to really celebrate the joys of secondary school.

A Big Thank You in particular to: 3I class mentors, Ms Shawn and Coach JQ, Mr Adrian and Mr Errol, and subject teachers Ms Jasmine, Ms Faith, Ms Belinda, Mdm Soh, Ms Chen.

Wishing all a wonderful wrap up to 2026!

Warmest regards,

Mrs Christine de Souza

From Our Parents

Thank you for preparing the children for life, not just academically but also values wise.

Learning to persist and try, try again in the face of challenges. Forging lasting friendships. In Aslan's words, "I have found my tribe."

Very proud to be the mother of a Patrician!!!! Keifer has come a long long way, a turnaround to a good boy n fine young man.

Thank you for embrace all students in a conducive and supportive environment for their secondary journey. He who wills, CAN!

It has been a great 6 yrs of parenting Patricians' journey. Thanks for moulding my sons into the gentlemen they are.

Thank you for your guidance in my child, Dante! My heartfelt gratitude for your hard work and unwavering belief in every child! Thank you

Thank you to the school principal and my son's teachers from class 4SD. While my son doesn't express much, I know he is proud to be a Patrician. Thank you for nurturing my son to become a fine young man who has Christ in his heart. Thank you for strengthening his faith in Christ. Thank you.

I commend your efforts to shape my son - Sean and also my eldest Josh ! Your school indeed has been a great impact to their lives!

Thank you for your contributions to my son's school life during this critical stage of his life. The focus the school places on character moulding and faith is commendable. God bless the school and all the teachers!

Does your school offer Hindi during school hours?

Yes, we offer Hindi lessons conducted by teachers from the Hindi Society during school hours.

You will need to register with the Hindi Society directly.

ST. PATRICK'S SCHOOL

What about the other Non-Tamil Indian Languages?

For other Non-Tamil Indian Languages, there is an application form to be completed & submitted to the school.

Once approved, you will need to register at one of the approved NTIL community groups within one month.

If you have obtained approval in your primary school previously, there is no need to re-apply.

You will continue to offer the approved NTIL at secondary school.

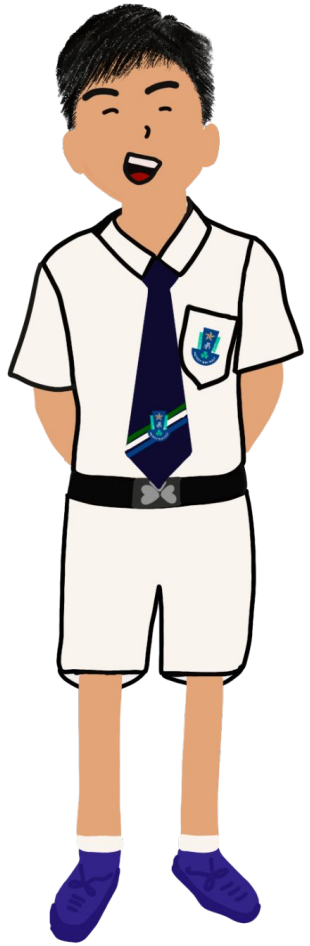
ADMINISTRATIVE MATTERS

Affiliation Priority



PSLE Score Range of 2025

	Affiliated	Non-affiliated
Posting Group 3	13 - 20	11 - 11
Posting Group 2	21 - 25	21 - 22
Posting Group 1	25 - 28	25 - 27

ST. PATRICK'S SCHOOL

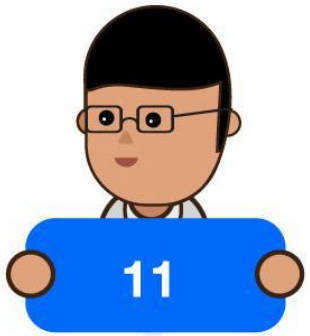
ST. PATRICK'S SCHOOL

How Affiliation priority works

Students from affiliated primary schools are eligible for affiliation priority if they:

1) Meet the affiliate minimum requirement (AMR) set by the affiliated secondary school; and

2) Indicate the affiliated secondary school as his/her first choice during S1 Posting.



HENRY'S SCHOOL CHOICE

1. *School X*
2. *School Y*
3. *...*
4. *...*
5. *...*
6. *...*

Henry and Joanne are studying in a primary school that is affiliated to School X. The AMR for School X is 12.

Henry will receive priority for admission for School X, as it is his first choice. Joanne will not, as School X is her third choice.

JOANNE'S SCHOOL CHOICE

1. *School Y*
2. *School Z*
3. *School X*
4. *...*
5. *...*
6. *...*

Affiliation priority for affiliated secondary schools does not guarantee admission, as it is subject to the availability of vacancies in the school.

- **Among students with affiliation priority, those with better PSLE Scores will be considered first.**
- **20% of the places in each course (i.e. Express / N(A) / N(T)) will be reserved for students who do not benefit from affiliation priority.**

How Affiliation Priority works for Posting Group 3

To enjoy the Affiliation Priority for Posting Group 3, you must indicate St. Patrick's School as either

- Your 1st Choice; **OR**
- Your 2nd Choice, after SJI IP or O-Level; **OR**
- Your 3rd Choice, after SJI IP & SJI O-Level.

ST. PATRICK'S SCHOOL

How Affiliation Priority works for Posting Group 1 & 2

To enjoy the Affiliation Priority for Posting Group 1 & 2, you must indicate St. Patrick's School as **your 1st Choice**.

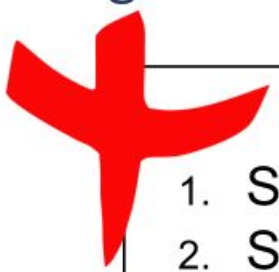
Scenario	1st Choice	2nd Choice	3rd Choice
1	St. Patrick's School *Affiliation Priority*		

ST. PATRICK'S SCHOOL

What if my son is offered a Posting Group (PG) option with two Posting Groups?

- If your son is offered a PG option with two PGs, you will need to make a decision on the **PG first** before you select your choices for schools.
- The chosen Posting Group will apply to all the school choices i.e., you cannot submit school choices with a mix of Posting Groups.

1. St Patrick's School **PG3**
2. SJI **PG3**
3. TKSS **PG3**
4. SKSS **PG3**
5. TMS **PG3**
6. DSS **PG3**



1. St Patrick's School **PG3**
2. St Patrick's School **PG2**
3. TKSS **PG3**
4. SKSS **PG2**
5. TMS **PG2**
6. DSS **PG3**

ST. PATRICK'S SCHOOL

What if my son attains AL score of 21-22 points, should we select PG2 or PG3?

If your son is from an affiliated primary school, there is a higher likelihood that he will be posted to SPS if you select PG2.

That said, the COP varies year on year and the current year's COP is known only on Posting Day.

ST. PATRICK'S SCHOOL

What if my son attains AL score of 25 points, should we select PG1 or PG2?

If your son is from an affiliated primary school, there is a higher likelihood that he will be posted to SPS if you select PG1.

That said, the COP varies year on year and the current year's COP is known only on Posting Day.

ST. PATRICK'S SCHOOL

What is the difference between PG1 and PG2?

- No difference for English, MT, Maths & Science - you will offer the subject at the level determined by your PSLE AL for that subject.
- The difference lies in the Humanities:
  - In PG2, you will offer Geography, History & Literature at G2.
  - In PG1, you offer G1 Humanities Exposure Modules, which provide a bite-sized modular approach to Geography, History & Literature.

ST. PATRICK'S SCHOOL

How can I transfer from PG1 to PG2?

- We no longer speak in terms of ‘transfer’ as there are no longer any streams.

- You need to do well in Sec 1. This entails qualifying to offer at least 3 subjects at more demanding level (2 of these 3 subjects should include English, Maths & Science) and pass all your subjects.

ST. PATRICK'S SCHOOL

Recap

CHOICE ORDER OF SCHOOLS WILL MATTER MORE

- Students continue to have **six choices** in selecting their secondary schools.
- Students will be posted to a secondary school based on **academic merit, i.e. PSLE Score**, and their **school choice rank order**.
- If two students with the same PSLE Score vie for the last remaining place in a school, the following tie-breakers will be used in the following order:

1. **CITIZENSHIP**
2. **CHOICE ORDER OF SCHOOLS** **NEW!**
3. **COMPUTERISED BALLOTING**

- The new tie-breaker based on school choice order recognises the different considerations that families have in making school choices.

Q: How will we know if we are part of the balloting exercise?

A: There will be no disclosure on this matter.

ST. PATRICK'S SCHOOL

CCA MATTERS

What is the CCA Selection Process like?

During the Sec 1 Orientation, students will find out more about the array of CCAs offered through a **CCA Fair**.

Then, they will sign up for **trial sessions** and/ or **interview sessions** before submitting their CCA preferences.

Students will be allocated to their CCA based on their strengths & interests.

ST. PATRICK'S SCHOOL

Does my son need a CCA if he already has an external activity?

MOE's policy is that all students should have a school-based CCA.

Should your son wish to continue with his external activities, he can choose a less intensive school-based CCA.
